

Directions for searching & finding usable pictures for class projects (i.e. images that are usable under copywrite laws):

Remember that you still must cite all sources & give credit to all authors or image owners!

ALL IMAGES MUST BE USABLE UNDER COPYWRITE LAWS IN ORDER FOR YOU TO USE THEM ON YOUR PROJECT!!

- I. Open a web browser to www.google.com
- II. Click on the Images tab at the top of the page.
- III. Type in your search word or phrase.
- IV. Locate & click the wheel button on the right side.
- V. Click "Advanced Search".
- VI. Scroll down to where it says "Usage Rights" (left side).
- VII. Select "free to use or share" in the drop-down menu.
- VIII. On the bottom right, click "Advanced search" button

If this process was successful, there will be a note under the search bar with the words "labeled for reuse".
